

City of Prescott

City Council - Voting Meeting

May 27, 2025 | 3:00 PM
201 N Montezuma Street
City Council Chambers, 1st Floor
Prescott, AZ 86301

MINUTES

1. CALL TO ORDER

Mayor Goode called the meeting to order at 3:02 p.m.

2. INTRODUCTIONS / ANNOUNCEMENTS

Mayor Pro Tem Cantelme congratulated Councilman Patrick Grady on his appointment to City Council, and welcomed him. She stated that the Council will conduct a Special Meeting on Tuesday, June 3rd to discuss the draft 2025 General Plan. Additionally, she reminded citizens about the city's new Appointment-Based Bulk Program which allows all residential trash customers to schedule one complimentary collection per calendar year. Pre-Registration is required and begins on June 2, 2025. For more information please visit prescottrecycles.com. Finally, Mayor Pro Tem Cantelme reminded everyone that the Council Subcommittee on Appointments is seeking applications for the Building Safety Advisory & Appeals Board, the Fire Board of Appeals and the Tourism Advisory Committee. For more information, please contact the City Clerk's Office at 928-777-1437.

3. INVOCATION - Pastor Scott Savage with Prescott Cornerstone Church

4. PLEDGE OF ALLEGIANCE - Councilwoman Fruhwirth

5. ROLL CALL

Phil Goode - Mayor
Connie Cantelme - Mayor Pro Tem
Lois Fruhwirth - Councilwoman
Ted Gambogi - Councilman
Patrick Grady - Councilman
Brandon Montoya - Councilman
Eric Moore - Councilman

6. PROCLAMATIONS

A. National Public Works Week - May 18-24, 2025

Councilman Gambogi presented the Proclamation.

7. PRESENTATIONS

A. Presentation & Recognition for Wildfire Risk Manager Conrad Jackson

Fire Chief Holger Durre provided a presentation recognizing Wildfire Risk Manager Conrad Jackson.

8. OPEN CALL TO THE PUBLIC

A. Ralph Hess addressed the Council submitted a Petition to the Council regarding Resolution No. 2023-1873 (12/12/23). He is proposing a Resolution that confirms the humanity and fundamental decency of all persons and protects everyone including Israeli and Palestinian residents, from acts of crime and harassment by the Prescott Police Department.

B. Jim Orr addressed the Council regarding the power of cooperation. He stated that without the Council's involvement and city management leadership for the first time in the history of the Prescott Lakes Master Plan agreement, there is a clear path forward if and when a proposal is made regarding the neighborhood.

C. Gerry Garvey addressed the Council in support of Mr. Hess's petition and resolution to the Council. People need to listen and work together to support reconciliation and peace.

9. CONSENT AGENDA

MOTION BY COUNCILMAN MONTOYA TO APPROVE CONSENT AGENDA ITEMS 9.A. THROUGH 9.G.; SECONDED BY COUNCILWOMAN FRUHWIRTH: PASSED (7 - 0)

- A. Approval of Meeting Minutes from the May 13, 2025 Executive Session, the May 13, 2025 Study Session, the May 13, 2025 Voting Meeting and the May 16, 2025 Budget Workshop Meeting.
- B. Approval of City Contract No. 2025-158 with Dictation Sales & Services with Equature for a Multi-Year Recording Services Agreement for Prescott Regional Communications Center (PRCC) to Continue the Current Contract for Radio & Phone Recording Software and Hardware at PRCC. Funding is Available through Proportional Splits Between PRCC Partners.
- C. Adoption of Resolution No. 2025-1929 Authorizing the Funding of Solid Waste Fund Capital Needs Through Internal Loans.
- D. Adoption of Resolution No. 2025-1930 Approving City Contract No. 2025-128A1, an Amendment to City Contract No. 2025-128 an IGA with the Prescott Unified School District for a School Resources Officer to Cover the 2025 Summer School Program at Granite Mountain Middle School.
- E. Approval of Application for a 2025 ADOT Transportation Alternatives (TA) Grant for the Whetstine Avenue Sidewalk & Roadway Improvement Project.
- F. Approval of Application for a 2025 ADOT Transportation Alternatives Program (TA) Grant for Design of the Sidewalk Gap Projects on Nathan Lane, Rush Street, and Bradshaw Drive.

G. Approval to Auction Items At Surplus Auction.

10. CONSENT ORDINANCE

MOTION BY COUNCILMAN MONTTOYA TO ADOPT CONSENT ORDINANCE ITEMS 10.A. THROUGH 10.D.; SECONDED BY MAYOR PRO TEM CANTELME: PASSED (7 - 0)

- A. Adoption of Ordinance No. 2025-1899 Authorizing the Granting of an Underground Utility Easement to Arizona Public Service Company.
AN ORDINANCE OF THE MAYOR AND COUNCIL OF THE CITY OF PRESCOTT ("CITY"), YAVAPAI COUNTY, ARIZONA, AUTHORIZING THE GRANTING OF AN UNDERGROUND UTILITY EASEMENT TO ARIZONA PUBLIC SERVICE COMPANY (APS) FOR NEW UTILITY SERVICE ON CITY PROPERTY, AUTHORIZING THE MAYOR AND STAFF TO EXECUTE ANY AND ALL DOCUMENTS TO EFFECTUATE SAID UNDERGROUND UTILITY EASEMENT
- B. Adoption of Ordinance No. 2025-1887 Authorizing the Acceptance of Five (5) Easements for the Installation & Completion of the Wildwood Gravity Sewer Improvement Project.
AN ORDINANCE OF THE MAYOR AND COUNCIL OF THE CITY OF PRESCOTT ("CITY"), YAVAPAI COUNTY, ARIZONA, AUTHORIZING THE ACCEPTANCE OF FOUR (4) PUBLIC WATER & SEWER EASEMENTS AND ONE (1) MAINTENANCE EASEMENT, FROM THE EFFECTED PROPERTY OWNERS OF THE WILDWOOD GRAVITY SEWER IMPROVEMENT PROJECT, AUTHORIZING THE MAYOR AND STAFF TO EXECUTE ANY AND ALL DOCUMENTS TO EFFECTUATE SAID EASEMENTS
- C. Adoption of Ordinance No. 2025-1895 Authorizing the Release of Three (3) Sewer Easements.
AN ORDINANCE OF THE MAYOR AND COUNCIL OF THE CITY OF PRESCOTT ("CITY"), YAVAPAI COUNTY, ARIZONA, AUTHORIZING THE RELEASE, AND THEREBY ABANDONEMENT OF THREE (3) SEWER EASEMENTS FROM THE EFFECTED PROPERTY OWNERS OF THE WILDWOOD GRAVITY SEWER IMPROVEMENT PROJECT, AUTHORIZING THE MAYOR AND STAFF TO EXECUTE ANY AND ALL DOCUMENTS TO EFFECTUATE SAID EASEMENTS
- D. Adoption of Ordinance No. 2025-1888 Authorizing the Acceptance of a Public Water Line Easement.
AN ORDINANCE OF THE MAYOR AND COUNCIL OF THE CITY OF PRESCOTT ("CITY"), YAVAPAI COUNTY, ARIZONA, AUTHORIZING THE ACCEPTANCE OF A PUBLIC WATER LINE EASEMENT FROM THE WORD OF LIFE CHURCH ASSEMBLY OF GOD, AUTHORIZING THE MAYOR AND STAFF TO EXECUTE ANY AND ALL DOCUMENTS TO EFFECTUATE SAID EASEMENTS

11. REGULAR AGENDA

- A. **CONTINUED ITEM:** Approval of City Contract No. 2025-155 with Born To Be Wild Adventures Tours & Rentals, LLC, for Boat Rental Concessions at Watson and Goldwater Lakes for a Concession Fee of 10% of Gross Revenue from All Rentals Paid Monthly to the City of Prescott.

City Manager Dallin Kimble addressed the Council regarding the existing contract which expires in July 2025. There was a competitive bidding process which was followed, staff has also addressed a past practice of Special Use Permits. The City Attorney and City Manager have investigated the claims that were made regarding the process, provided a memo to the Council and have concluded that the procurement process was followed and therefore the recommendation from staff remains the same to award the contract.

Councilman Moore stated that he was the main voice on this issue and appreciated Mr. Kimble and Mr. Young addressing the concerns. He stated that the city allowed Ms. Dilbeck to operate and she wasn't doing anything she wasn't allowed to do, also that while the existing agreement had problematic portions that needed to be remedied and it was improper for the city to issue a Special Use Permit. The options are to award the contract, not award a contract or award two new non-exclusive contracts. He feels a fair resolution is to award two non-exclusive contracts.

Councilman Gambogi stated that he followed up on this after the last meeting. It seems there are a lot of conspiracy theories out in the community regarding this and asked the City Manager to address it.

Mr. Kimble reviewed the specific points staff was asked to address, and reviewed the options available to Council at this time reiterating that staff's recommendation is to award the contract as presented.

Councilman Montoya commented that he feels this process was handled and reviewed appropriately, the competitive bid process was fair. The city runs competitive bid process on many important things and if the Council breaks that process, that is a dangerous precedent to set.

Mayor Goode added that his concern was ensuring that the process was fair and unbiased, after that review he agrees that it was fair so in this case the contract should be awarded as recommended.

Member of the public Maryah Dilbeck addressed the Council regarding the opportunity to be the onsite vendor, Prescott's lakes are a premier destination and she wishes to enrich the nature based tourism in Prescott. Looks forward to moving forward in a positive manner.

Member of the public Steve Gottlieb addressed the Council regarding walking away when you lose a contract, there is a process which was followed. Not following the process will cause the city to lose respect, need to break down into the facts of whether the RFP was good and followed.

Member of the public Cooper Smith addressed the Council as an employee of Born to Be Wild, he spoke highly of Ms. Dilbeck's dedication to customer service and this community and these were the things that lead to them being selected for award of the contract.

Member of the public Amanda Ramirez addressed the Council regarding codes she thinks are being violated in particular improper use of Special Use Permits.

Member of the public Matthew Moritz addressed the Council regarding transparency which he believes still doesn't exist, claiming that he submitted a public records request more than 30-days ago and still hasn't received them. He reviewed a letter from the Forest Service in 2018 when Born to Be Wild was operating illegally at Lynx Lake, they continued to operate illegally at Watson Lake. From 2009-2020 he claims that the contract was exclusive but then it was no longer exclusive. This is about a few people acting in a way that was not correct.

Councilwoman Fruhwirth asked about claims regarding submitted public records requests.

City Clerk Sarah Siep and City Attorney Joseph Young addressed Councilwoman Fruhwirth's questions, stating that the requestor was not Mr. Moritz and when it was determined that the responsive documents would not be available by the system and legally administrated deadline Ms. Siep contacted the requestor and extended the deadline. Mr. Young added that the RFP documents are not releasable until after the contract is awarded.

**MOTION BY COUNCILMAN GAMBOGI TO APPROVE CITY CONTRACT NO. 2025-155; SECONDED BY COUNCILMAN MONTOKA: PASSED (5 - 2)
COUNCILWOMAN FRUHWIRTH AND COUNCILMAN MOORE DISSENTING**

- B. Adoption of Resolution No. 2025-1928 Setting Certain Citywide Fees & Approving a Citywide Fee Schedule for Fiscal Year 2025-26.

Deputy Finance Director Lars Johnson provided a presentation to the Council regarding the proposed Citywide Fee Schedule, this is a single place for fees to be. This is the second year that staf has done the process in this way, in the proposed budget there is also a fee evaluation as well. If approved, fees will go into effect July 1, 2025, and all public notices have been met. Excludes fees with lengthy review process. General CPI Increase is 2.9%, applied to Airport, community Development, City Clerk and public works.

Councilwoman Fruhwirth asked when the public rates will be increased for consumers and asked when the impact fees will be evaluated again.

Mr. Johnson stated that it will be January 1, 2026, impact fees are reviewed and addressed every five years.

Mayor Goode added that he agrees the city should use the Phoenix Metro CPI, it is used by many other jurisdictions. Having a good benchmark is something that should be adopted.

Airport Updates:

- * New pricing methodology - reflects differences in hangar size/condition, utility and commercial use, aims for greater fairness and market alignment and recognizes hangars scheduled for demolition (discounted fees)
- * Key Changes - larger hangars priced higher, premium/premium deluxe categories, 25% surcharge for commercial use of hangars and tie-downs, and storage unit fees raised to align with local market and improve utility
- * Recapitalization Program - upgrading hangars to contemporary standards, new construction in 2025
- * Stakeholder Input - presented to Airport Advisory Committee and Prescott Airport users Association and positive reception acknowledging diverse hangar attributes and need for tiered pricing

Councilwoman Fruhwirth asked about changes in airport fees and why there are additional charges on commercial users.

Airport Director Rick Crider responded that commercial operators have higher usage, a gap between what a commercial operator would pay per foot and what they would pay for a facility.

Mayor Pro Tem Cantelme asked how many non-market rate leases there are.

Mr. Crider responded that there are a few. Many of those are based on the maturity of the Airport and are likely 4-6 still existing but staff is working through addressing those.

Library Updates:

- * Proposing increases in rates for room rentals for upgraded technology
- * Rates based on a flat rate for number of hours used

Councilman Montoya asked if all rooms are subject to a fee at the Library.

Library Director Melissa Orr responded that only the rooms for commercial use are charged and there are still rooms available to the public at no charge.

Recreation Services Updates:

- * Proposed increases to parking fees (\$3 to \$5) - last changed in 2015
- * Camping fee increases \$20 to \$25 per day
- * Rental Fees for Ramadas/Grass Areas - updates based on size, timeframe and location
- * Field Usage Fees updates
- * Special Event Fees increases

Mayor Goode asked how staff justify a 60% in parking fees.

Administrative Supervisor Michelle Stacey-Schroeder stated that this would bring the city up to date as there have not been increases in ten years as well as aligning with the fees charged by the Prescott National Forest. Increased fees will also allow for upgrades to machines and offset the costs of running our parks.

City Manager Dallin Kimble added that the city does have passes for parks. These are only for daily use, and citizens can purchase a \$100 pass for unlimited parking for one year from purchase.

Fire Department Updates:

- * Has not been addressed in several years
- * Community Risk Management Division Fees - plan review and inspection/permit fees
- * Recommendations - adopt proposed updated fee schedule with adjustments based on CPI increases since 2016, implement an annual CPI escalator for future fee updates/ensuring fees adjust with inflation and service delivery costs, and a thorough cost recovery fee study for these fees and other development fees is budgeted for FY26

Councilwoman Fruhwirth asked why it had been ten years since there was a fee increase.

Fire Chief Holger Durre responded that during the recession there were many positions that went through attrition in the Fire Department and so these types of things fell to the wayside. We are far behind and need to get caught up.

Police Department Updates:

- * Onetime fee for Video Recording copy fee

MOTION BY COUNCILMAN MOORE TO ADOPT RESOLUTION NO. 2025-1928; SECONDED BY COUNCILWOMAN FRUHWIRTH: PASSED (7 - 0)

- C. Adoption of Ordinance No. 2025-1897 Authorizing the Purchase of Approximately 37.32 Acres of Property for Airport Protection from James Deep Well Ranches #1 & Approval City Contract No. 2025-162, a Purchase and Sale Agreement Related to the Same.

AN ORDINANCE OF THE MAYOR AND COUNCIL OF THE CITY OF PRESCOTT, YAVAPAI COUNTY, ARIZONA, AUTHORIZING THE PURCHASE OF APPROXIMATELY 37.32 ACRES OF REAL PROPERTY FROM JAMES DEEP WELL RANCHES #1, LLC NEAR THE PRESCOTT REGIONAL AIRPORT-ERNEST A. LOVE FIELD

Airport Director Rick Crider provided a presentation to the Council regarding the proposed land purchase, the parcel is between Highway 89 and Willow Creek Road to the west. This purchase helps to address concerns regarding the One Engine Inoperable (OEI) Splay, there has been discussion regarding shifting the runway by approximately 1,000 during the runway extension to mitigate these types of exposures.

Councilman Moore asked if it matters which side the failure is on which direction it goes in.

Mr. Crider responded that it will go to the right because of the terrain, regardless of which engine fails because of the terrain and existing conditions.

Councilman Montoya asked if the shift of the runway is built in to the purchase of

this property.

Mr. Crider stated that this purchase is important whether the runway is shifted or not.

Councilman Gambogi asked how long the current runway and what would be the ideal extension on that length.

Mr. Crider responded that it is 7,616 feet currently and would extend to 10,000 feet. The OEI splay is dictated by the southern end of the runway.

Councilwoman Fruhwirth commented that she is not a fan of purchasing land west of the airport, but asked from a safety standpoint why this purchase is worth buying.

Mr. Crider reviewed the off-airport landings in and around this parcel; one in 2022, one in 2023 and one in January 2025. There have been 27 total incidents over the last 10 years, but only four off-airport incidents. Vast majority of activity at the airport is single engine training, and the option is to land straight ahead.

Mayor Pro Tem Cantelme stated that nobody wants to spend money we don't have to, but this is crucial.

MOTION BY COUNCILMAN GAMBOGI TO ADOPT ORDINANCE NO. 2025-1897; SECONDED BY MAYOR PRO TEM CANTELME: PASSED (7 - 0)

- D. Approval of City Contract No. 2025-156 for the Archaeological Phase II Data Recovery Investigations for the Willow Creek Gravity Sewer Project in an Amount not to Exceed \$748,110.00. Funding is Budgeted & Available in the Wastewater Fund.

Capital Program Manager Tim Sherwood provided a presentation regarding the proposed project for the new sewer main which will pass three previously identified archaeological sites. Phase I was completed in 2025, and significant findings were discovered triggering Phase II. This phase will take approximately 6-8 weeks.

Councilman Moore asked if the findings could potentially lead to re-routing the project.

Mr. Sherwood responded that is not likely. It should take 4-6 months after the work to get the reports done and then make this time next year for beginning construction.

MOTION BY MAYOR PRO TEM CANTELME TO APPROVE CITY CONTRACT NO. 2025-156; SECONDED BY COUNCILWOMAN FRUHWIRTH: PASSED (7 - 0)

- E. Approval of City Contract No. 2025-159 for the Miller Valley Road & Grove Avenue Sidewalk Improvements Project in an Amount not to Exceed \$498,420.14. Funding is Budgeted & Available in the Streets Fund.

Capital Program Manager Tim Sherwood provided a presentation to Council regarding design services for improvements to sidewalks in the designated area. This project will address sidewalk ramps that are not ADA compliant. It is anticipated that easements and ROW will also be needed and the project will likely be done in phases because of the area and significant impacts.

Councilman Gambogi asked about the costs and why they are so high for this project.

Mr. Sherwood responded that it is sidewalks, ADA access, driveways etc. This is a long corridor from Whipple down to Gurley Street and will require a great deal of work.

Councilwoman Fruhwirth commented that this area scares her because people dash into the street where there is no sidewalk access, so this is an important project.

Mayor Goode agreed that it is an expensive contract, but to make it safe for people who need mobility access.

MOTION BY MAYOR PRO TEM CANTELME TO APPROVE CITY CONTRACT NO. 2025-159; SECONDED BY COUNCILMAN MOORE: PASSED (7 - 0)

- F. Approval of City Contract No. 2025-163 with Epic Rides for Sponsorship of the Whiskey-Off Road Event. Funding is Budgeted Through Transient Occupancy (Bed) Tax Funds.
City Manager Dallin Kimble provided a presentation to Council regarding the proposed contract.

Whiskey Off Road Event:

- * The last weekend in April since 2004
- * Third-largest event in the city and pillar to the city's brand as an outdoor destination
- * Audience grew from 200 in 2004 to 2,000+ in the last several years, 14,000 attendees, mostly active adults (33-55 years old) and 40% from outside Arizona
- * Purpose - to market Prescott as an outdoor destination, attract and retain skilled workforce and promote cultural and recreational opportunities
- * Benefits - economic impact, tax revenue, brand boost, local event, free concert, fundraising, engages youth and volunteers
- * Impact - marketing and branding, 98+ jobs, regional tourism, repeat visitation, local business, funds for PMBA, schools and more

The Struggle:

- * Reviewed the total cost to the city over the years - 2004 approximately \$5,000 to approximately \$120,000 in 2025
- * Going back to 2012 there began to be concerns regarding the cost of the event
- * How does the city make it sustainable to cover the cost of helping to put on this event each year

Data Questions:

- * 2013 ASU Study - studied the year-round impact of the event with \$4.5 million

total impact to the total tri-city area, not comprehensive/no estimate of taxes

- * Applied Economics Study (2024) - studied the days of the event itself, \$2.8 million total estimated impact with \$42,000 estimated in city taxes

- * Proposed 2025 Study - comprehensive study of year-round impact including tax revenue and evaluation of marketing value

- * Feels that neither of these studies tell the story for the total economic impact of the event to the city and unsure how close estimates actually are

Recommendation:

- * New agreement for two-year period

- * Conduct study and negotiate after the two-year period

- * Scope - continue having the event, branding/pre-event marketing/on-site marketing as host city, fundraising for local non-profits

- * Post Event - marketing performance report due within 60 days, media for city use

- * Analysis - total economic impact to the city

- * Cost - \$70,000/year with in-kind services including venue/security/traffic control/sanitation/permit fee waivers/city liaison (estimated value \$40,000)

Councilman Gambogi commented that he has counted 233 emails in favor of this event and zero in opposition. This study is important so that the council has an understanding on the money and they can feel comfortable with the funding being provided. He is in support of the proposal.

Councilman Grady stated that he is in support as well, but asked if the city has considered how other funding might be raised for events like this. Could be interesting to have an organization with PMBA be a co-sponsor with the city. He also expressed concern about the number of events that the city provides funding for and comparing those events one to the other.

Mr. Kimble responded that much of that falls on the event organizer and is something that is discussed for all events. There is a first draft of a Special Events Policy to try and address each event in the same way and contemplate what long-term support for these events looks like.

Councilman Montoya stated that he appreciates the City Manager for finding a solution to provide them with today. It is difficult to look at an event like this and really quantify the value of it. He feels that both studies are undershooting the impact of the event. The impact on this community is significant. He has heard overwhelmingly that this event means a lot to a lot of people. The idea of having a more concrete policy is a good one, in his opinion, fairly establishing that there are three marquee events (Christmas and the Rodeo in addition to this) that deserve a different lense because they are integral to Prescott's brand.

Councilwoman Fruhwirth thanked the staff and Mr. Sadow for the work they did to get to this agreement and come up with a comprehensive plan. Christmas City and the Rodeo have many sponsors and there is an opportunity for that with this event.

Councilman Moore voiced his support and expressed his appreciation for Mr.

Kimble's work to get to this point. He looks forward to a concrete Special Event Policy.

Mayor Pro Tem Cantelme echoed the Council's comments and stated that she is anxious to getting a policy in place that is more equitable to the tax payers in our community.

Mayor Goode stated that in a previous meeting he said this money is taxpayer dollars and needs to be able to defend the use of that money for the benefit of the community. The city has been remiss over the years in not establishing a policy and that is sorely needed. He added that the data being used is quite weak.

Member of the public Scott Bideau addressed the Council regarding what the event does for the community. He reminded everyone that the current contract is expired, so it is important to pass this and make sure that the event doesn't go anywhere. He doesn't feel that the math and numbers are at a level that they should be presented because every time he hears them they are different.

Member of the public Ximena Florez addressed the Council as PMBA Board President. She read a statement from Mr. Sadow stating that Epic Rides is incredibly proud of the Whiskey Off Road Event and his strong desire is to continue to host the event here for many years to come. This will allow them to host and plan the 2026 event as well as work toward a study that will clarify the economic impact this event has on the community.

Member of the public Ian Wickson addressed the Council, showing the inaugural poster from the 2004 event. From year one, Epic Rides has given back to the community. This year beneficiaries were Prevent Child Abuse AZ, PUSD, PMBA, Yavapai Food Bank, Yarnell Hill Recovery Group, Prescott Creeks and AZ Cycling Association. The event brings intangible benefits to the community that dollars and cents can't account for.

MOTION BY COUNCILMAN GAMBOGI TO APPROVE CITY CONTRACT NO. 2025-163; SECONDED BY COUNCILMAN MONTOYA: PASSED (7 - 0)

12. COUNCIL LIAISON BCC UPDATES

City Clerk Sarah Siep provided an update on BCC upcoming Meetings:

May 29 3 PM – Civic Enhancement Committee
June 3 9:30 AM – Council Subcommittee on Water Issues
June 4 9 AM – Mayor's Veterans Commission
